

Brentwood Community Scholarships - Common Application

Attached is the application for local scholarships and organizations in the Brentwood Community. These scholarships represent a commitment from community members to invest in the future of Brentwood students. We are very fortunate these clubs and organizations provide scholarships as a way to give back to the community. **This application will be distributed to the following groups for award consideration:**

- Brentwood Boosters Scholarships (* Value - \$500)
- The Wright Stuff Scholarship (*Value - \$365)

African American students planning to attend a 2 or 4 yr institution of higher learning may also use this application to apply for the following scholarship:

- Pay it Forward Scholarship (*Value - \$500)
(*All values are subject to change)

Your application is the first impression many of the organizations will have of you and this is the time to put forth an accurate reflection of who you are, what you have done, and what you plan to do.

You must submit your application with all required documents to Ms. Lewis by **Wednesday, March 15th, at the end of the school day in order to be considered**. Your application will be copied and distributed to various organizations for scholarship consideration. *Be sure to proof-read your application, and use the application checklist on the cover page to ensure you've followed all guidelines.*
